Miss Evelyn Waugh

Claude Wallace

We appreciate that we are unusually fortunate in the amount and quality of the counseling we have received from the guidance staff. The counselors have offered us aid on our choice of courses and our plans for the future.

Miss Marian Cummings

Their patient and careful guidance has steered us through our four years at Monroe. They have talked with each of us individually and helped with wisdom and understanding to solve the problems we have met in choosing our courses in school and a college or vocation when we graduate.

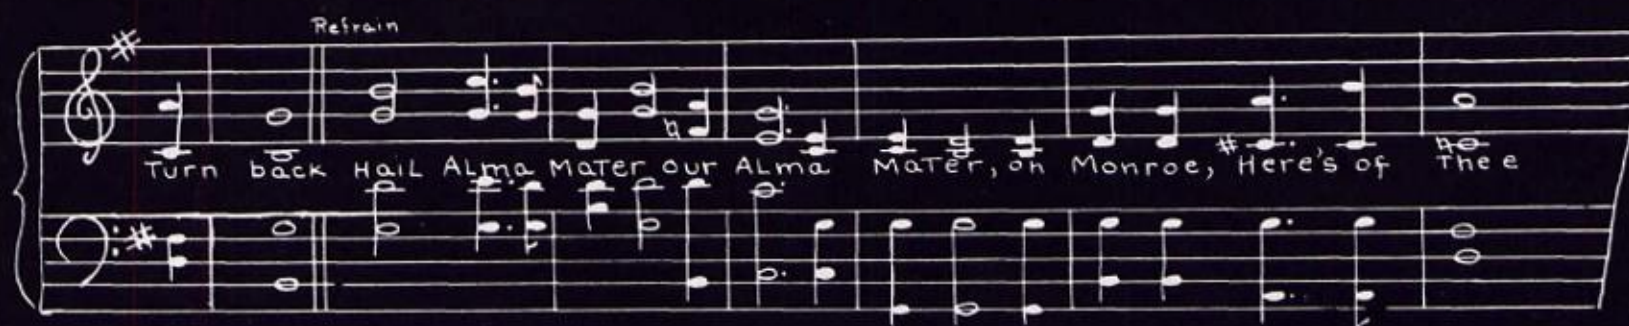

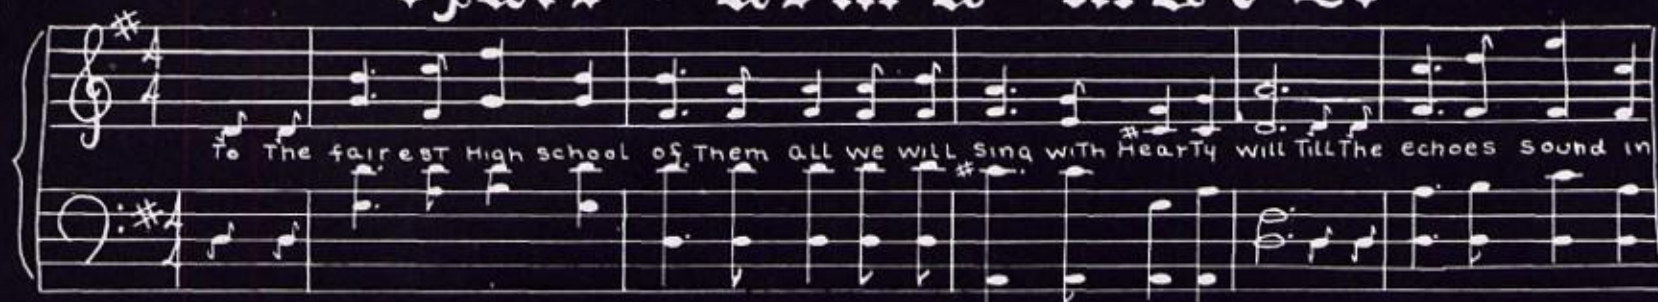

Raymond Savage

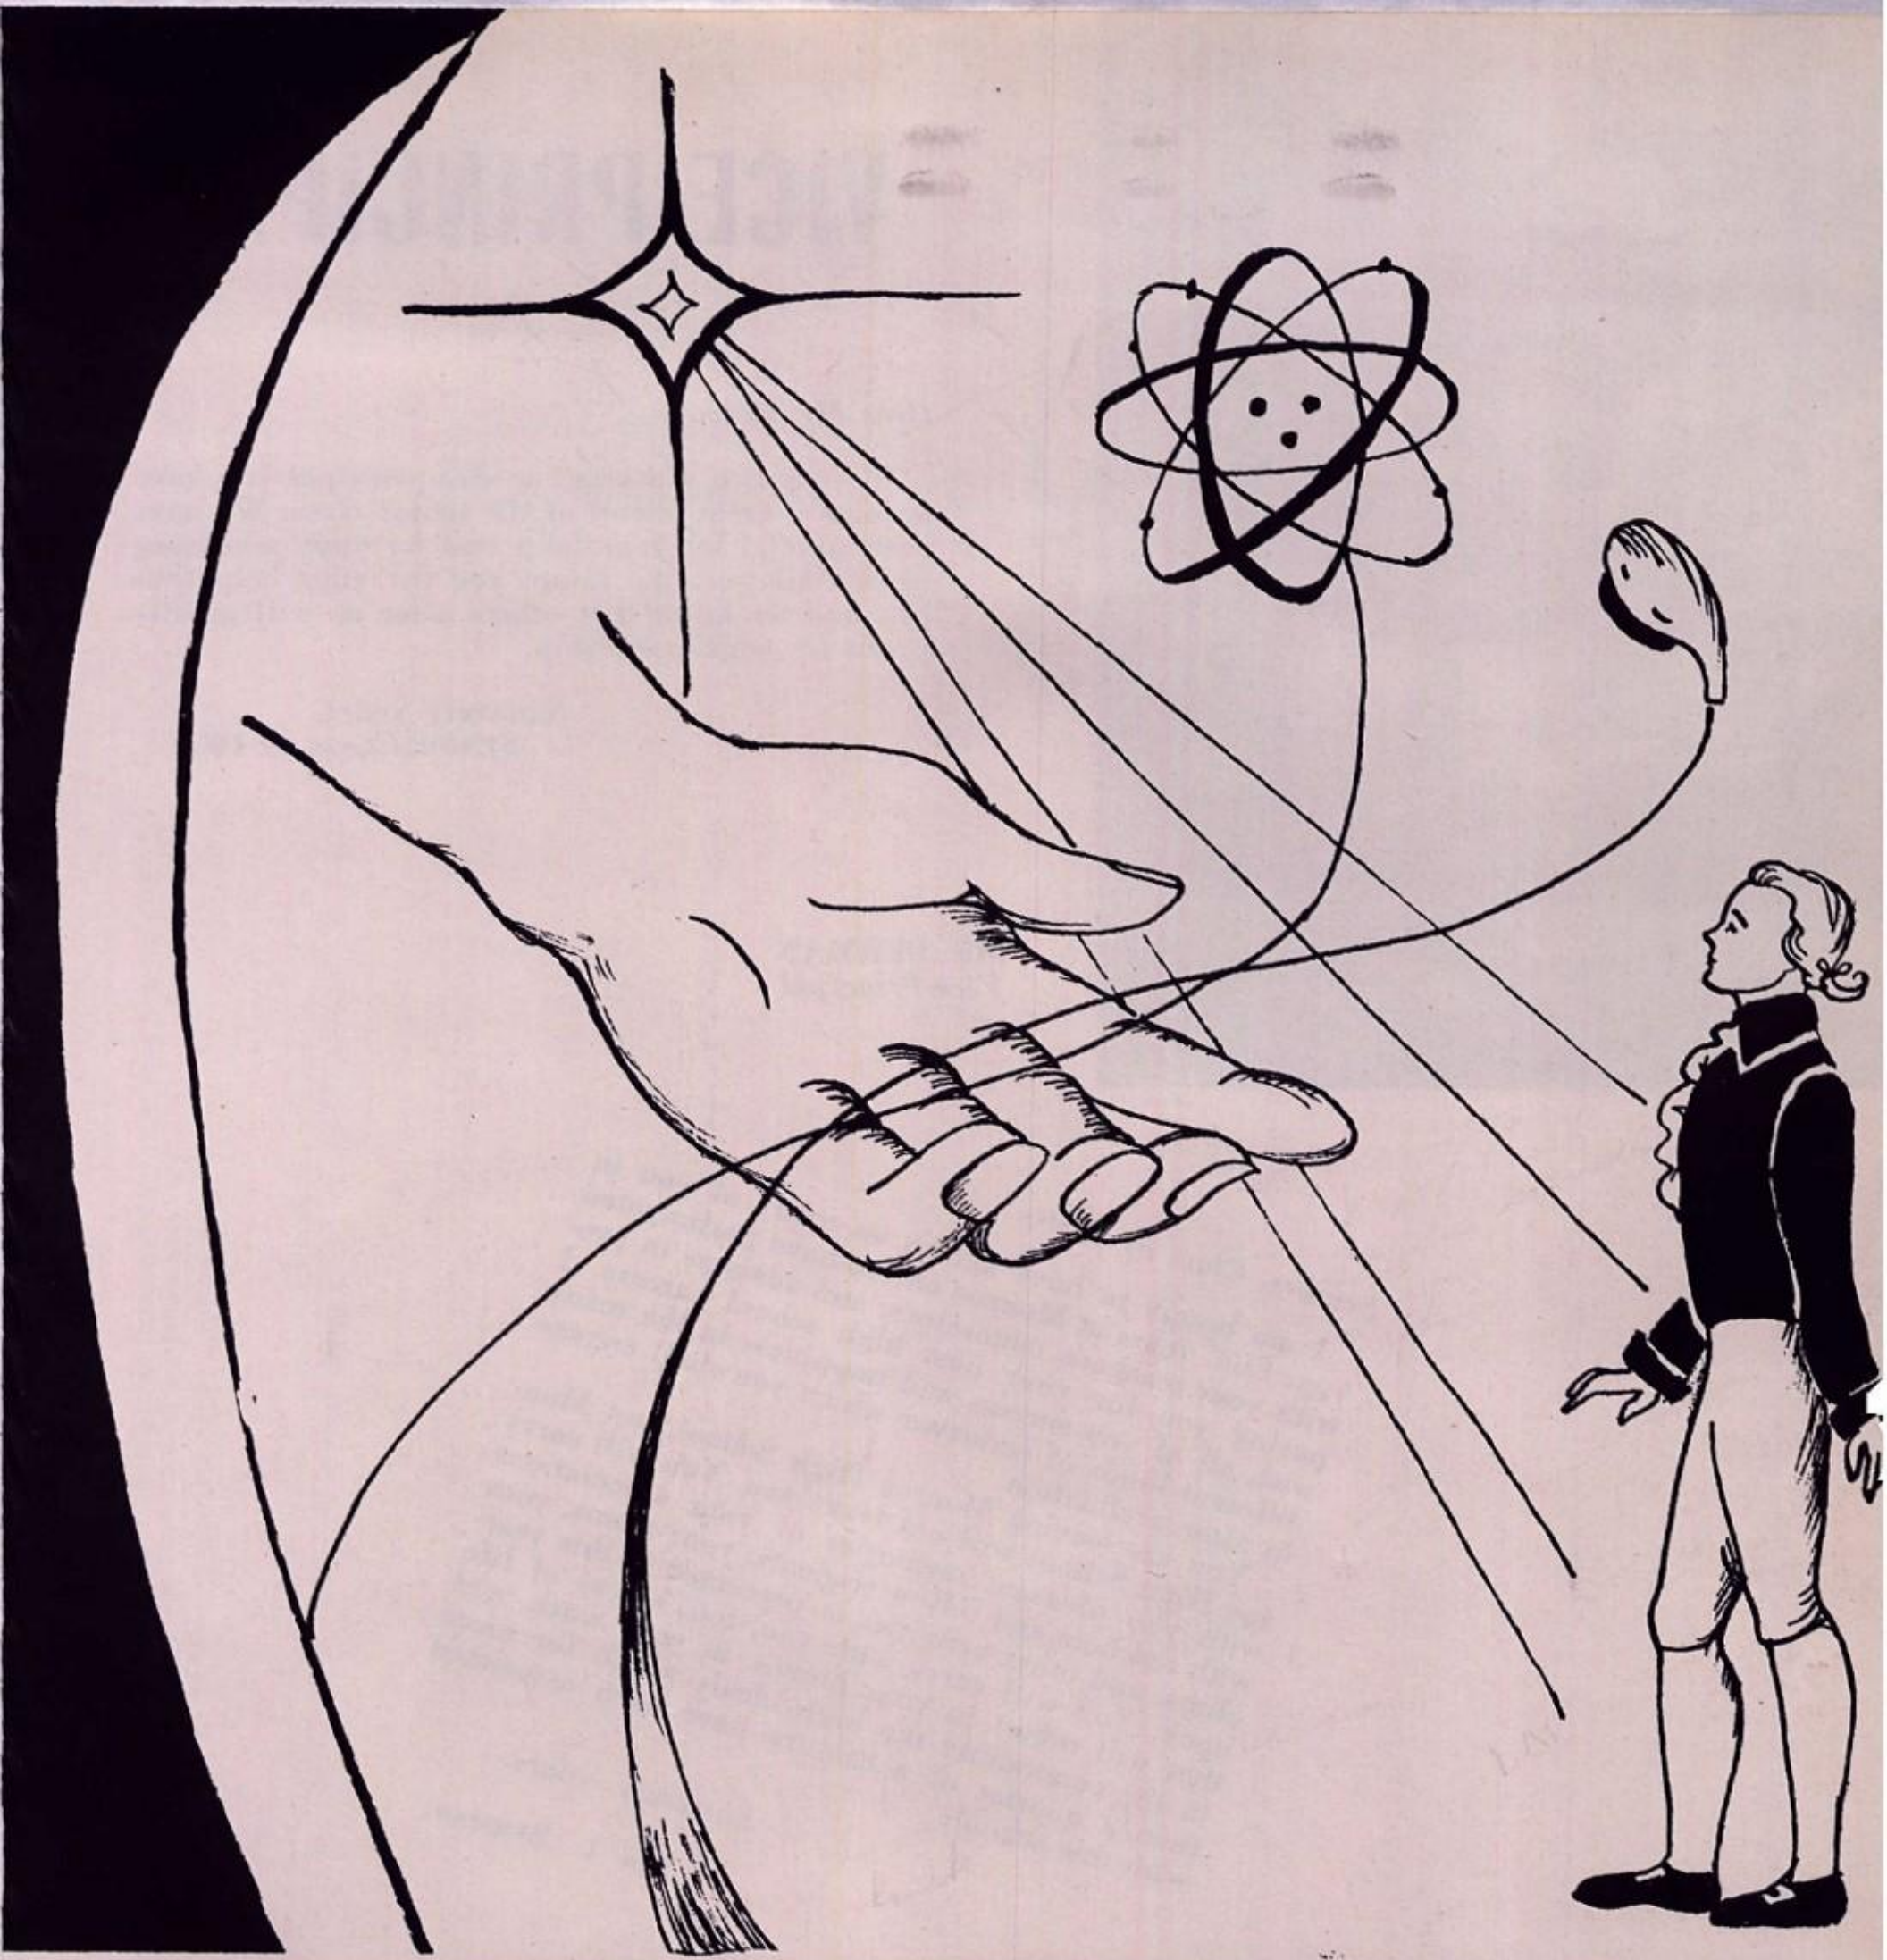

In appreciation of their service in the interest of the boys and girls in Monroe, we, the class of 1950, dedicate our year-book to the members of the guidance staff.

Carl Lang

VICE-PRINCIPAL

Dear Mr. Berman:

In your two years as our vice-principal you have become a great friend of the senior class. We have been guided by your help and by your assistance as our adviser. We salute you for your help thus far, and we know that others after us will greatly profit by your friendship.

Sincerely yours,
SENIOR CLASS OF 1950

MR. BERMAN
Vice-Principal

Seniors, Class of 1950:

I am happy to have known so many of you in your final years at Monroe and to have participated with your teachers, counselors, and advisers in preparing you for your post high school careers. I wish all of you success and happiness in the many different kinds of endeavor which you shall engage in after graduation.

You are leaving Monroe High School, but Monroe High School will not leave you. You will carry with you pleasant memories of your associations with teachers and fellow students, your teams, your clubs, and other activities as presented in this year-book. You will carry with you, too, a way of life that will reflect in your homes, in your work, and in the community the high ideals which for more than a quarter of a century have been associated with this school.

Sincerely yours,
IRA I. BERMAN

To the Class of 1950:

America's greatest gift to the world may well prove to be her belief in universal educational opportunity for all, as much education as one wants. You have worked and played, dreamed your dreams and set your hopes while you have lived together in this great American high school. May you, in all the years ahead, use the knowledge, the skills, the courage and the ideals developed here in your own and humanity's service.

You will be part of Monroe forever, for he who lives in the heart of a school, though he be far away, will always be present.

Every good wish to you!

Faithfully yours

Mary A. Sheehan

Dear Miss Sheehan,

In the past years we of the senior class have learned to know you as a great leader of a great school. We truly appreciate your untiring effort to help us, your kind understanding and your devoted friendship to us. We want to thank you, Miss Sheehan, for the important part you have played in our school life, and we wish you further success in your future years at Monroe.

Sincerely yours,

HARRIERS

Coach Lee Ackley's rough runners pulled their greatest season out of the bag this year. From the opening bell to the final meet every harrier opponent was literally trampled by the team's runaway power.

In the first league meet Edison was defeated by the score of 23-37 in a meet that included West High. Charlotte and Jefferson fell 15-51-80 to Monroe's plethora of running ability. East and Franklin closed out the harrier season by bowing 23-33.

MEET THE CHAMPS

The Redjacket Harriers swept to a stunning Sectional victory setting a new state record for section 5 as a team. Monroe carried off the team title by soundly trouncing West, 1948 title holder. The first three teams in order of finish were Monroe 28, East 72, Brighton 82.

Soccer at Monroe had one of its poorest years. The season began with a victory over Franklin. After that, however, the team absorbed one defeat after another, usually by one goal. At the end of the season the tally read one win and seven losses.

The Golf Team, a comparatively new addition to Monroe Sports, fared only average in league competition. With the entire team returning next year, our Divot Diggers should be a threat to the city crown.

DIVOT DIGGERS

DRIBBLERS

As usual Monroe came up with a winning basketball team. In league competition the Redjackets finished the year with a record of ten wins and six defeats, and a tie for second place with Franklin and Madison. In a playoff determining the representative for the sectionals, Monroe lost to Madison with three of the starting five out with injuries. The Redjackets also emerged with two triumphs over their county league rival, Brighton High. Bill Fitzgerald and Dave Anderson were chosen co-captains of the team. Dick Rush was barely edged out of a position on the All-Scholastic Team, but made Second Team. Dave Anderson and Bob Hicks received Honorable Mention.

Kneeling: A. Laney, R. Hicks, D. Hettig, D. Anderson, G. Pierce, L. Hartwig. *Standing:* L. Gidlow, Manager; W. Fitzgerald, R. Mason, J. Maher, R. Hallock, H. Jones, D. Rush, Mr. Beghold, Coach.

Jay Vees

The Junior Varsity Basketball team did not fare as well as expected this year. The Reserves started with a three game winning streak, but then hit a slump, ending with a four won, eight lost record. The experience that the Reserves gained this year will be put to use on next year's varsity.

M. Frisbee, R. Miller, B. Good, P. Kober, E. Bickford, J. Peck, E. Riley, S. Nusbaum, R. Adams, G. Moffitt, H. Davidson, P. Hallock. *Absent From Picture:* G. Birch.

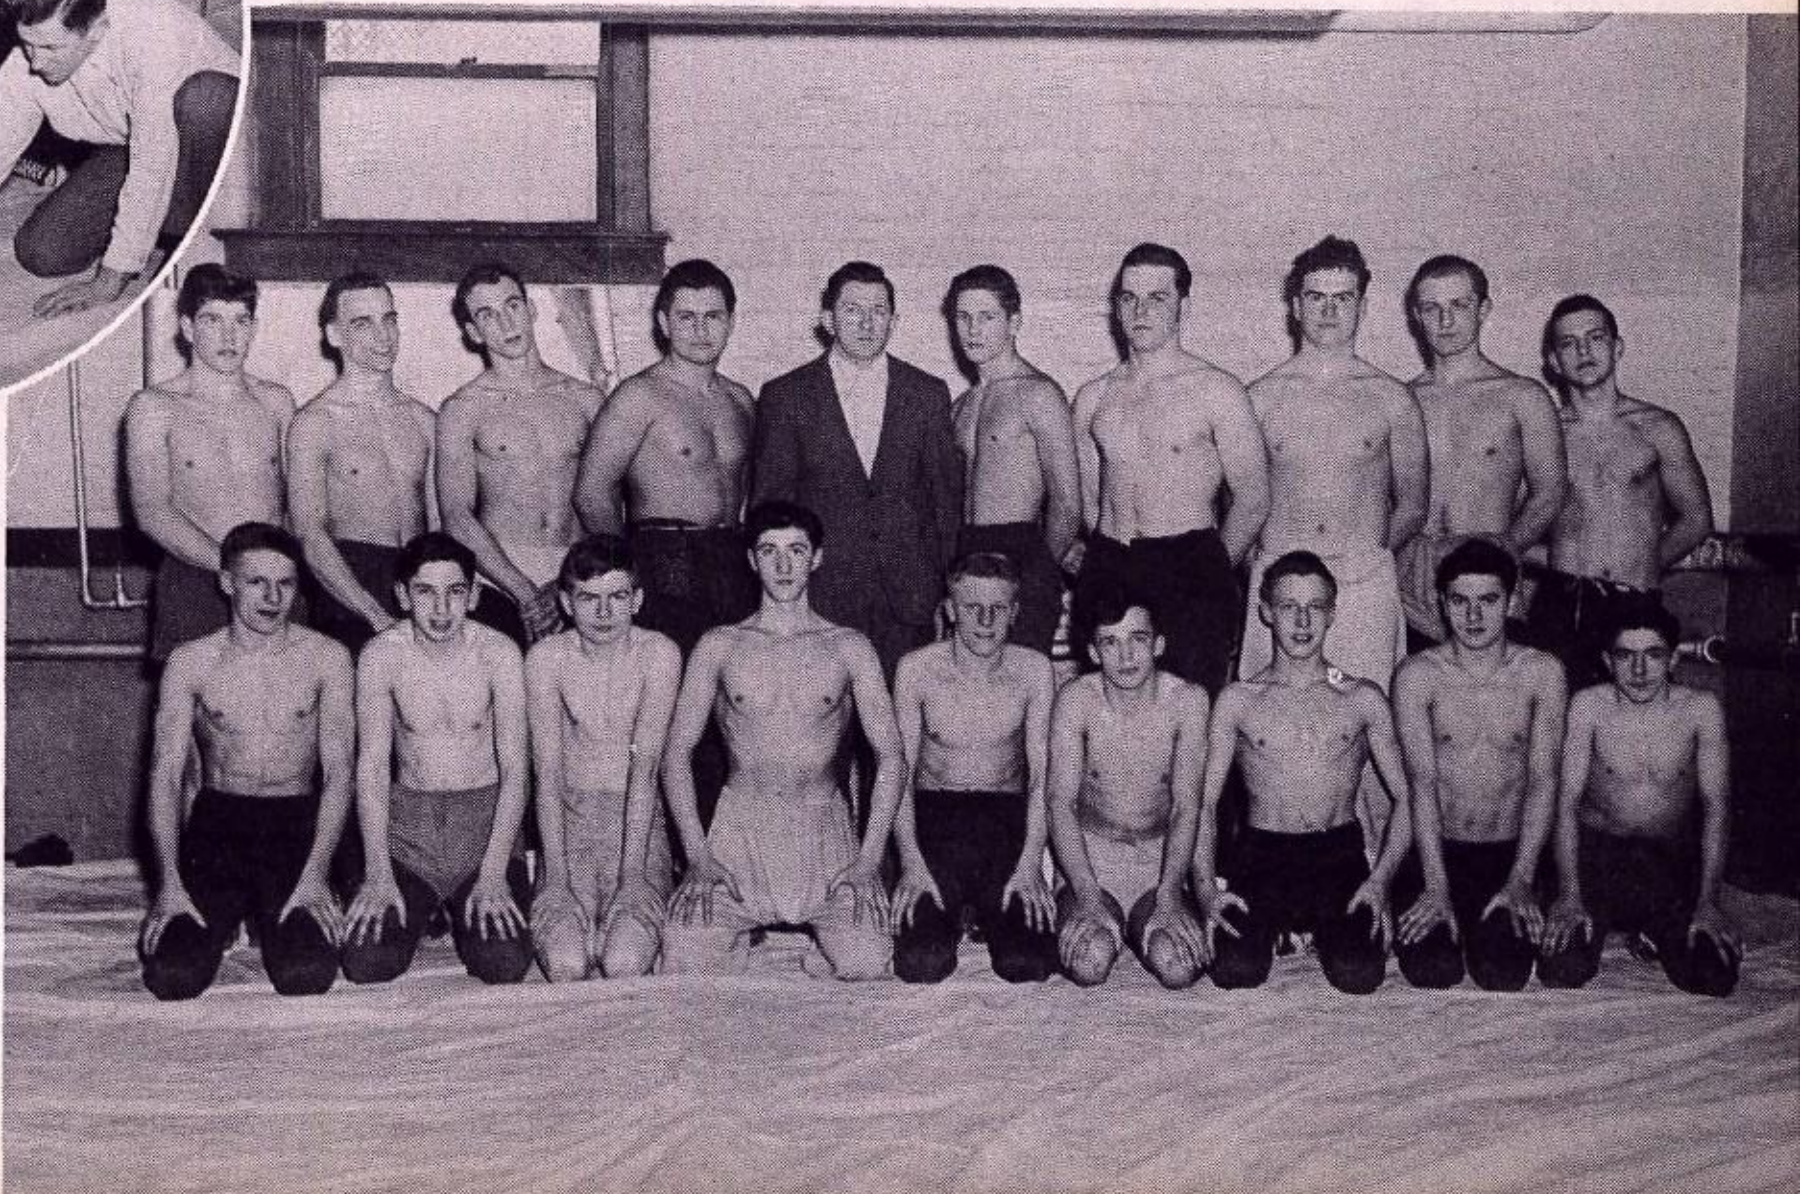

MATMEN

Handicapped by the loss of two individual sectional champions and almost the whole team, the Wrestling Team could not cope with the power of the league. With only two of the team leaving this year, next year's nucleus looks very promising.

Kneeling: J. McManus, W. Lowenstein, R. Welch, J. Constantine, B. McManus, P. Finlayson, J. Bolger, P. Necaster, D. Raineri. *Standing:* G. Broderick, D. Bellucci, A. Bellucci, V. Cali, Mr. Arlauckus, Coach; L. Bihle, R. Dibble, Captain; T. West, B. Clark, B. Heisinger.

Dick Tyler in a back jack.

Aided by a large nucleus of last year's team, Mr. Wallace's swimmers have completed the season with a creditable five won, three lost city record, tying for third place with West High. The finmen splashed to victories over Franklin, Charlotte, East, Canandaigua, Brighton, Jefferson, and Madison. The team bowed before West, Edison Tech, and Marshall.

With a large number of the squad returning next year Mr. Wallace is confident of another winning season.

TENNIS

The Tennis Team, composed of Buzzy Frank, Jack Piotrow, Rogers Alexander, John Lowe, and Harold Nagan, came through with Monroe's only city championship last year. Seven wins and one tie made up the racketeers' first undefeated season. Frank and Piotrow were undefeated in city play.

Seated: H. Lipman, J. Bitensky, W. Richardson, C. Sharp, B. Painting, D. Bell, E. Sturm, D. Hausman. *Standing:* M. Goodman, Manager; D. Davis, T. Sirianni, L. Gidlow, Mr. Blair, Coach; A. Crowder, D. Anderson, J. Bender, H. Jones.

BATSMEN

The 1949 record of the Monroe Baseball Team is not as impressive as usual. Although the team played some very good games, and gave all opposition a tough fight, they finished the season with only a 2 won 6 lost record. The highlight of the year was Don Bell's no-hit no-run masterpiece over West High 1-0.

KEGLERS

After a very slow start, the Keglers really poured the heat on in climbing from tenth to sixth place. Glen Quetschenbach's 207 game was high single for the team, while Jerry Bartholomew maintained a 154 average, good enough for ninth place in league averages. The other four bowlers averaged high in the one hundred forties.

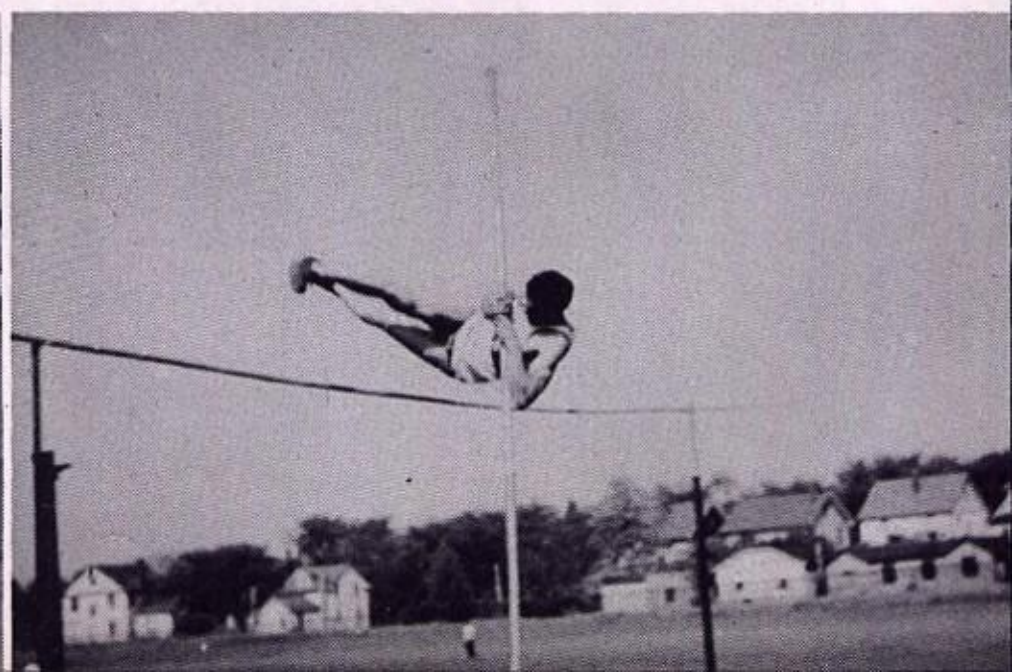

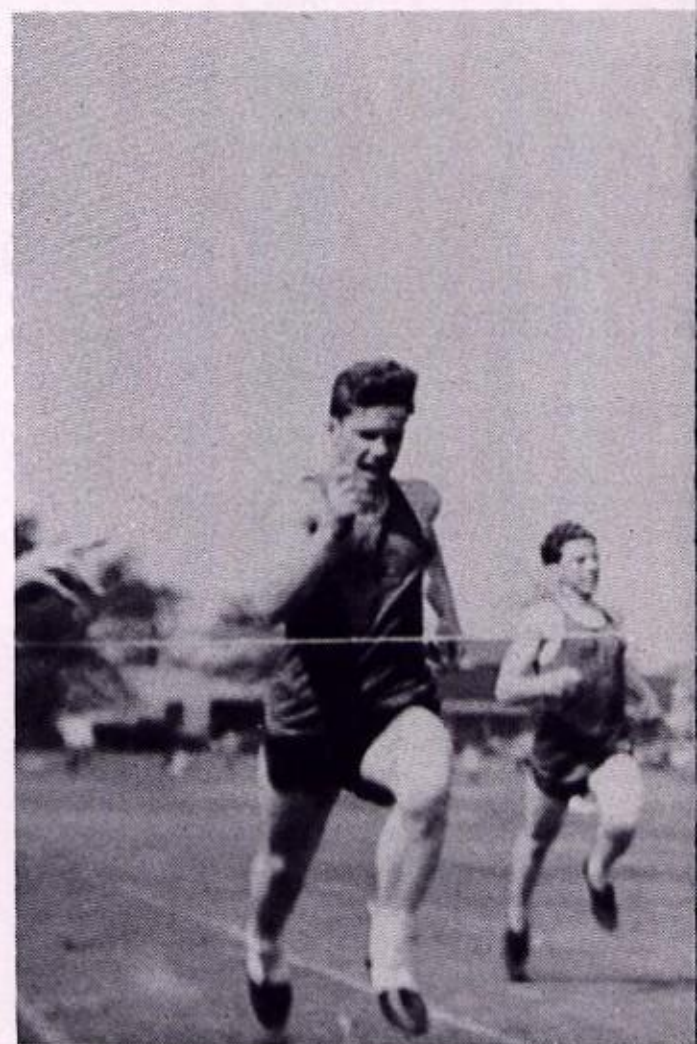

J. Bartholomew, W. Newcomb, G. Quetschenbach, I. Metzger. *Absent From Picture:* A. La Forty.

CINDERMEN

After the dust of battle had settled and the last watt in the heat lamp had been used Monroe's cinder-crushers found themselves perched high up in the league's final standings. The team compiled an enviable record of 6 wins and 2 losses. Larry Day won the 880 yard interscholastic championship and was the team's outstanding runner. Sonny Bellucci won the city and sectional 440 yard dash championships for the second consecutive year closing out his second season without a defeat.

Jump ball in Ogden Stravesky Game

Participation in sports at Monroe has hit an all-time high record. The different Sports Clubs attended by girls are: volleyball, soccer, basketball, badminton, ping pong, swimming, and softball. Improved teamwork has strengthened competition in all the Sports Clubs.

Under the direction of the Girls' Athletic Association, city-wide Sports Days are set up at which Monroe girls play other schools. A uniform system of points for school letters is also in function under the Girls' Athletic Association program.
